

Behold

Take heed. Look.

Isa 45:22 *Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else.*

and

Position of readiness. Not sitting.

Stand **READY** and **ABLE**.

Not asleep as prophets of Baal I Kg 18:27

LOOKING FOR SINNERS.

Moham is dead, budha but my God is standing!

Door

Entry way. For man the door is the heart.

He will never come to you in a vision.

He will never come through the eye.

He will never come through the intellect! The brain! Some saved by intellect.

He is Not a **THIEF**.

Knock

Denotes 2 things: 1) desire to be admitted **NOT HIS WILL ANY PERISH**. The world may desire to see you perish, but not Christ. **YOU** 't seek him---He seeks you!!

2) Right of the person inside to let visitor in or leave locked out. Perfect gentlemen. **YOU DECIDE! NO forced entry**. It is not the Lord that is closed out. It is not his door that is shut. **IT is MAN's door**.

God is shut out. The door is shut against Him. The heart of man by nature is shut against Christ by ignorance, unbelief, sinful pleasure, Satan's blinders.

But he is a God of mercy, grace and he is longsuffering. He does not withdraw though the door is locked.

Not one heart in heaven with marks made by God and a crowbar.

Every man of his own accord must say **YES** to the Lord.

Hear my voice

The Word.

As a sinner I felt an impression from on high. **BUT** it was not until I encountered the word that I got saved. I had to come to grips.

The Bible asked me to get saved!!!

How do you know saved? I did what the Bible said to do!!

Open the Door

How easy is it to get saved? Open the door!!

Come and SUP

He brings the refreshments.

You don't need old crowd!! He brings the entertainment!!

I am bored. You need another trip to the altar!!
