

We have a heavenly father. Amazing how many things we learned in Sunday School that we forgotten. One, we ARE children. He is FATHER. We lose sight of this. Our life simpler and safer if we grasp this.

-HE does know best. Mother knows her baby. Hairs numbered.
 -E is most able. Measured seas in span. Cattle thousand hills.
 -HE does care the most. Gave his son.
 Promise verse 9 and 10.

Deception is possible.

Bread look like stone, fish/ell like serpent, white scorpion (earliest know species) curl with tail tucked to form shape of egg.

Not hard to deceive child---Eph 4:14

Bread JKV---NIV stone

Fish Message of Calvary---works serpent

Egg Son of God---Allah scorpion

What does the father want for his child? TRUTH

Malnutrition is possible.

Stone no calories.

Bread is necessary, but not enough. Kids in Africa- bread only. Stomach, eyes, limbs distorted. Alive, but not developed.

Well-rounded, balanced diet!

Man shall not live by bread alone

Bread- carbs for energy

Fish- protein

Egg-

-Bread breakfast/Fish lunch/Egg in late afternoon early evening

God wants balance in Christian life.

God wants for you that which will keep you SPIRITUALLY fit.

Harm is possible.

Bite down on a stone thinking it bread. Butter it up if you wish.

Grab a serpent. Grab a scorpion.

-Devil get you. Luke 22:31

-DAMAGED lives in community, left father. Once victory, now wasted.

-My dad die lest harm come my way. GOD never sleepeth!

My daddy crush army.

-Stay with God. He won't let you get hurt. You will be safe.

Invitation:

● your life in Father's hands? Or, yours? Wrestling with problems your father would love to solve?

-Are you a spiritual runt, malnourished? Saved 30 years and you have no joy, or fullness, or growth in life. You where you were when you stood up from altar 30 years ago. You not a blessing. You don't lift anyone up.

-Are you in danger today? Marriage troubled? Finances troubled? You are going to handle it and push God aside.

-God knows what you need (as my sons voice on phone, look into face)
