

How to Have a Good DayEsther 8: ~~17~~ (6, 17)**Desired by all:** natural desire of normal**Most common expression:** "have a good day"

A good day is fragile: one bad deed can spoil

A good day is precious:

- Peaceful- only devil fusses
- Free of affliction- in bed with disease, etc
- Adequate provisions- food, clothes
- Companionship- friend, family, loved ones

A good day be thankful for: many do not enjoy

The Jews had a good day in Esther 8:17. I hope you have a good day today. I hope all over the world all folk have a good day.

Bad day: prophets of Baal \$ Egyptian army \$ rich man Luke 16

The Jews had a good day.

How to have a good Day.***Use the right measuring stick***

What do you think makes up a good day? What do you think should be the measure of a good day? We guilty of using the wrong measuring stick.

- Not People- devil lay a mossy-back devil, kinfolk
- Not Material- something will break, come up short
- Not News and Weather- clouds roll in

Quit expecting so much

- Not home- you are a visitor, a pilgrim
- Your not in charge- devil is
- Nobody owes you- sinner saved by GRACE living by faith!
- Not trouble-free for Job 14:2 said "full"

Right way
