

# ~~NEGLECTING SALVATION~~

~~What has Happened to Salvation?~~ Hebrews 2:3

Salvation plan: from fall the Christ. Atonement, forgiveness, justified. Blood. Everlasting. Free. Calvary.

## Unnecessary

Average Baptist believes in works.

Church membership

Baptism

## Unimportant

Sports: (throw football into hell and 1/2 America jump in)

Money: (money necessary but not important). Happens to be the root of all evil. Remove money and the drug business dry up, the porno dry up, thievery would stop.

Jobs: worried about who losing job not closing churches

## Unexciting

What on TV, did you see thus and thus?

Who won the election?

What is the latest fashion?

Luke 10:20

*What those in hell believe:*

Salvation is **necessary**. They sat on pew stuck their nose up at God. They have a new attitude now.

Luke 16- go tell my 5 brothers

**Important-** while alive they worried concerned themselves about who Liz Taylor's husband was this month. While on earth who won Super Bowl. While on earth how much do we have in back.
