

### Intro

Weeping: distress, pain, discomfort, heaviness of heart \$ happy don't weep \$ tears have always been associated with soul winning \$ never been easy- automatic

IT IS A CRITICAL TIME FOR A MAN TO BE LOST \$ God is still willing and able to save \$ Word is still true "whosoever call," "he that cometh..." \$ for sure sinners still must be born again

What is the problem? \$ Every soul saved involved people- not by ravens- lightning- visions and voices

There are so few soul winners. Those that exist are truly weeping.

### Cost of Salvation

If have no compassion for the cross of Calvary, not a soul winner \$ If not moved by cross, not a soul winner \$ Jesus suffering

### Condition of the Sinner

Sorry you have cancer, Alzheimer, diabetes, disease, pitiful folk I have seen \$ sickest is sinner

\$ helpless in *self*, dead. "I hope he straightens up someday" well you can quit hoping. Can an Ethiopian change his skin or a leper cleanse his spot? Jer 13:23

\$ hopeless in *society*, turn away, kick

led by *Satan*

Sinners die- sinners go to hell- sinners burn in eternity

I feel a compassion for the RICH MAN Luke 16

### Contention of Satan

Luke 22:31 \$ I Peter 5:8

He has an army- drugs, alcohol, pornography, gay lifestyle \$ He is at work while we sleep and play. Millions are deceived and damned \$

Stop savior at birth \$ Behead John \$ Peter in prison

If Satan had his way, he'd have Christ in hell

Stop printing press. Stop tape recorder. Sabotage the mail system

*If you leave here lost his morning, Satan has had his way*

### Carefree attitude of the saved

No desire- no vision- no urgency- no importance- no dedication

Let me remind you, someone wept for you to be saved. Better be glad!

You never bowed your head this week in prayer for one sinner.

You never devoted 5 minutes of your time this week to a sinner

You never lost one minute sleep this week for a sinner

You never shed one tear for a sinner

Mom/dad weep for kids \$ raise money for everything but Gospel \$

give leftovers to church \$

Everybody wants raise \$ everybody promotion \$ everybody bigger car, home \$ everybody wants their team to win
